

# APPLICATION FOR NOISE VARIANCE PERMIT CONSTRUCTION

The City of Alexandria's Noise Control Code (Section 11-5-1) regulates construction noise by limiting the hours during which construction activities can be performed. Construction may occur during the following prohibited hours only if a Noise Variance Permit has been issued by the Transportation and Environmental Services Environmental Quality Division. Please be aware that a Noise Variance Permit is not required for "work necessary to restore and maintain services provided by public service companies, the rail rapid transit system, and the City."
